

Fascinator Workshops

Hen parties :: Birthday parties :: Group events

A Fascinator Workshop is the ideal basis for a hen party, birthday party, or simply as the focus for a get-together with a group of friends.

You are introduced to the skills and techniques involved in creating these elegant fashion accessories, and by the end everyone will have made their own unique fascinator or cocktail hat.

With the emphasis on having fun in a relaxed group setting, you are tutored and guided through the creative process by experienced milliner Vicky Rowe. No prior experience or special skills are needed, and everyone goes away feeling very proud of what they've achieved.

Hen party package

From **£49** per person, including all materials.

What better way to add a personal touch to the hen's wedding day than with each member of the bridal party making a fascinator to complement their outfits. This is a very popular package and we're often being asked to assist brides in creating their own bespoke head piece for their big day. The mother of the bride and the bridesmaids also like to get involved, creating pieces to match their outfits from an array of materials.

These workshops can take place at a venue of your choice* or at one of our approved venues (see next page).

Birthday party package

Prices start from **£49** per person.

Essentially the same as the hen party package. You are guided through the process of making your own bespoke creation, choosing from an array of decorative materials.

* additional charges may apply for travel

If you'd like to try out making a fascinator or hat, but don't have the excuse to throw a big party, then why not join one of our many scheduled classes?

"Vicky showed us the techniques and after a couple of hours, despite not having so much as sewn on a button for more years than I can remember, I had in my hands a made-by-me headpiece. Talk about a huge sense of achievement".

Burlesque package

From **£69** per person, including all materials.

This is for those who aspire to something a little more flamboyant, with a much broader selection of beautiful feathers and also a choice of mini top hats. Think the Moulin Rouge...

For all workshops when the party is for 8 or more then the bride or organiser goes free!

Add a vintage tea party

Why not make your workshop an even more special event by including a tea party? Whether at one of our approved venues or at your own location we can provide a West Country-style afternoon tea, presented on our authentic vintage china. Prices start from **£15** per person (minimum 8 people).

Materials

For all workshops you can choose from a variety of Sinemay bases for your fascinator, or even make your own simple base if you're feeling ambitious. Then, to adorn your piece, you can use Sinemay curls, feathers, beads, pearls, crystals, silk flowers, veiling... the possibilities are endless. We encourage people to bring along their own materials, such as broken vintage jewellery, that you can incorporate into your piece to give it a really personal touch. You can wear your work either using a band, hair comb or alligator clip. The Burlesque package offers the addition of ostrich feathers and mini top hats.

If you have particular colour preferences then let us know at least two weeks in advance and we will do our very best to accommodate you.
